SUMMARY

I'm a full-stack developer with experience in Laravel and Vue, currently creating secure and efficient systems in the banking sector. I enjoy tackling complex problems and building solutions that make a real impact.

EXPERIENCE

Full Stack Developer   May 2022 - Present

BPR Dana Nusantara, ***Kepulauan Riau, Indonesia***

Built and deployed internal web applications using Laravel and Vue to streamline company operations. Automated reporting workflows, significantly reducing manual processing time, and collaborated with IT security teams to ensure compliance with banking standards.

Full Stack Developer   Aug 2021 - May 2022

Wajah SIBA Nusantara, ***Kepulauan Riau, Indonesia***

Built digital systems with Laravel to streamline operations, created responsive dashboards for improved usability, and implemented enhancements based on user feedback.

Data Entry Clerk   May 2021 - Jul 2021

Intan Medika Clinic, ***Kepulauan Riau, Indonesia***

Contributed during the Covid-19 pandemic by managing patient records with Microsoft Access, ensuring accuracy, confidentiality, and compliance with medical standards. Supported healthcare staff by maintaining reliable databases that were critical to daily clinical operations during a challenging period.

Web Developer Intern   Jul 2018 - Nov 2018

Baliyoni Saguna, ***Bali, Indonesia***

Developed a company portfolio website to highlight services, products, and client solutions, working closely with the team to structure content and improve presentation. Delivered a responsive design that enhanced the company's professional image and provided potential clients with a clearer understanding of available solutions.

EDUCATION

Information Technology   2022 - 2026 (Expected)

Batam International University - Bachelor of Science

Current GPA: 3.7/4.0

Software Engineering   2017 - 2020

Bali Global Badung Vocational High School of Information Technology

VOLUNTEER

International Monetary Fund - World Bank 2018

Annual Meetings in Nusa Dua, Bali

Participated as an IT technician in the 2018 "Annual Meetings of the International Monetary Fund and the World Bank Group." Assisted IT operations, ensuring smooth setup and troubleshooting of 50+ devices across event rooms.
